Dear [REDACTED]

I'm attaching a dream that Ernie had this morning that contains general information about the 'wives,' as well as further instructions that God is sending specifically for you.

Please know that you are very blessed and fortunate to be given a husband like Ernie. He is the kindest, most gentle and loving person you could want near you. So many people are selfish, but he is generous and does his best to make others happy, even if it makes life tougher for him.

Make up your mind to obey God and follow all of His instructions, then joy and peace will fill your heart.

Sent with a hug,

Isabel

In this dream, the Herald, the Announcing angel, the Guide angel and Perceivous come and stand in front of me. The Herald calls me by my heavenly name and says, "I am to show you something so you will understand."

I look in front of me and now see myself standing with Becky on my right. She is wearing a gold cape. It is like a thick cloth that drapes over her shoulders. Perpendicular and next to Becky there is a row of six, large, white circles. Each circle represents a place where a wife would stand. Now I see Isabel standing on the first circle. Behind Isabel are Vida, Carmen, Laurie, Jennifer, and Abby.

Then the Announcing angel and the Guide angel walk up and escort Isabel over to stand on my left side, beside me. The Herald says, "Isabel will continue to serve as a wife, but she will also serve as your left hand."

The first circle, that of Wife #2, is now vacant. The Announcing angel and the Guide angel walk back and escort Abby to stand on the first circle. Now she will serve as the second wife. The last circle, that of Wife #7, is now vacant.

Now I see [REDACTED] standing in front and to my right. The Announcing angel, the Guide angel and Perceivous walk over and stand in front of her. She is wearing a white robe, but the robe is filthy, ripped, dingy, gray, and stained with grease and mud. [REDACTED] herself is filthy, too. The Guide angel and the Announcing angel reach up to each shoulder and rip the gown off her. [REDACTED] now stands naked and filthy.

The Guide angel takes a container full of a liquid that looks like gold-colored Dawn dish soap, and pours it all over [REDACTED], from her head to her feet. The Herald says, "[REDACTED] has been forgiven, and her sins have been forgotten. But, even though she is cleansed, she can no longer represent and serve only as the perfect church."

Perceivous walks up and places a white gown over [REDACTED]. The Herald says, "Now [REDACTED] will also serve as the church of Laodicea. She will serve as the pure, as well as the Laodicean church. She will need to walk two walks." Perceivous reaches over [REDACTED]'s shoulders, takes hold of the veil that hangs in the back and pulls it up and over [REDACTED]'s face.

The Herald says, "She must also pay restitution. Now she is to serve as the 7th wife. She will not be a temporary wife, but like Laurie and Jennifer, she will serve as a

permanent wife." Then he explains that as part of her restitution payment, she must go with Ernie on a 5-week honeymoon.

Now the Herald walks away from [REDACTED] goes to Isabel, and tells her, "All of the wives, numbers 2 to 7, are now in position. They were not in their correct positions until now. Since all the wives are finally in position, it is now time for you to do the study of the comparison between the seven wives and the seven churches."

[REDACTED] is to call Laurie and tell her everything that has happened. Once again, restitution must be paid. When individuals make bad choices, the choices are given to others, and others have to pay for someone else.

[REDACTED] is to fly to Jamaica on August 16 and stay there with Ernie until September 20th. Laurie will pay for [REDACTED]'s trip to Jamaica. Isabel is to work with her on that.
